

When I was One... I had fun
On the day I went to sea.
I jumped aboard a pirate ship
And the Captain said to me
“Oh, you go this way and that way
Forward and backward
All on the deep blue sea

I was Lying in my sleeping bag
I couldn't fall asleep
The wind began to blow
And bugs began to creep
So I rolled to the left and I rolled to the right
And I heard every sound
You can hear at night

Now's the time to go to sleep,
Put the baby in the bed,
Cover the baby in the bed,
And Kiss the baby goodnight.
THE BABY'S out of bed, shat did we forget to do?

Come on and dance,
Dance, Dance, Dance
Come on and dance with me.
Come on and dance,
Dance, Dance, Dance
Come on and dance with me.

You dance that way,
I'll dance this way,
Then we'll come back together
And dance all over again.
Jump/spin /crab walk/walk
backwards/blink...

I dropped my thumb
Pick it up, Pick it up
I dropped my thumb
Pick it up, Pick it up
I dropped my thumb
Pick it up, Pick it up
And put it back with my fingers.

Hello Hello
Hello and how are you?
I'm fine. I'm fine
I hope that you are too.

Down came the rain and washed the spider out.
Out came the sun and dried up all the rain
And the itsy bitsy spider went down the spout again.

Where the watermelons grow
Back to my home
I dare not go
For if I do
My mother will say:
Did you ever see:
A bear combing his hair A frog playing in the fog
A goose kissing a moose A toad dancing down the road
A whale with a polka dot tail A mouse wearing a blouse
A fly wearing a tie A kangaroo using glitter glue
A pig wearing a wig A horse on a golf course
Llamas eating their pajamas A lamb in a traffic jam
A cow eating puppy chow A skunk inside a car trunk
A raccoon eating with a spoon A snake using a rake
Did you ever a time when you couldn't make a rhyme?

A Throwing Game: Newspaper Delivery
This throwing game helps children learn how to throw for accuracy and follow through, make estimations, self-evaluate, and persevere in practicing this skill. It is an excellent activity for beginning throwers of different abilities, as the choice of throwing distances will help children develop accuracy and reinforce a sense of success. Generally, children make reasonable choices when choosing for themselves.

Game: Children throw newspapers at a drawing of a house attached to the wall above a large box. Each child can choose the distance from which to throw.

Materials: Several newspapers folded approximately 4 inches wide and fastened with rubber bands. They can be wrapped in plastic

Take me out with the crowd.
Buy me some peanuts and cracker jack,

Friends, friends, the more that you know
The bigger and better our circle will grow.

Each friend that we bring will widen our ring,
And add to our circle of friends, friends.

(The game begins with two children, usually the Song Selector and the Nursery Rhyme Namer of the day, forming a circle during the first verse. During the second verse, each child in the circle chooses another child to join them. The game continues until all the children are included in the circle of friends.)

**Hello, my name is Joe and I work in a button factory
I have a house, and a dog, and a family
One day, my boss said, "Hey Joe, are you busy?"
I said, "No, sir".
He said "Push the button with your other foot."**

CHICKEN FAT "THE YOUTH FITNESS SONG"

Touch down
Every morning
Ten times!
Not just
Now and then.
Give that chicken fat
Back to the chicken,
And don't be chicken again.
No, don't be chicken again.

Six Little Ducks

Six little ducks that I once knew
Fat ones, skinny ones, fair ones too
But the one little duck with a feather on his back
He lead the others with his quack, quack, quack
Quack, quack, quack
Quack, quack quack,
He lead the others with his quack, quack, quack
Down to the river they would go
Wibble-wobble, wibble-wobble to and fro

But the one little duck with the feather on his back,

He lead the others with his quack, quack, quack

Quack, quack, quack

Quack, quack quack,

He lead the others with his quack, quack, quack

Home from the river they would come

Wibble-wobble, wibble-wobble, ho hum hum

But the one little duck with the feather on his back,

He lead the others with his quack, quack, quack

Quack, quack, quack

Quack, quack quack,

He lead the others with his quack, quack, quack
